ENVIRONMENTAL POLICY STATEMENT

Rokill Limited is committed to reducing the environmental impact of all work undertaken by the company. Environmental considerations form a key part of our product approval process. We are committed to the disposal of all pest control related waste via "product stewardship schemes". Our objective is to carry out work in a sensitive and careful manner to avoid any unnecessary environmental impact.

We are committed to the continual improvement of our environmental performance and to support this commitment Rokill operate an environmental management system accredited and compliant with the ISO 14001:2004 standard.

All applicable legislation and regulations are adhered to at all times and it is company policy to keep up to date with and implement the requirements of all new environmental legislation. The Managing Director and Managers are responsible both individually and collectively for communicating to all employees the environmental needs of the company and for enacting the environmental policy of the company.

We set environmental objectives to drive improvements and these are regularly reviewed.
