

FLORAZOL

Deodoriser & disinfectant

Description

Powerful, highly concentrated deodoriser & disinfectant. Ideal in washrooms for overcoming malodours & especially effective in Care Homes & Hospitals when incontinent patients have to be considered.

Features & Benefits

- Very effective, highly perfumed product.
- Ideal for use wherever malodours need to be overcome.
- Kills bacteria which cause bad odours & leaves residual perfume.
- Effective alternative to aerosols when used in an atomiser or spray.
- The addition of Florazol to the solution tank of hot water extraction machines helps overcome urine, faeces, tobacco and other malodours, when cleaning carpets.
- Available in Freesia, Bouquet, Sandalwood or Lavender perfumes.

How to Use

DISINFECT & SANITISE:

HARD SURFACES, TOILETS & TELEPHONES

Dilute up to 1:20 parts hot water. Mop or wipe surface.

SPRAY & DEODORISING:

Dilute up to 1:80 parts cold water in an atomiser or spray bottle.

Spray into the air, away from the face. Do not spray near food or furniture.

If sprayed accidentally onto furniture, wipe off immediately.

CARPETS & FABRIC:

Add 50ml (2capsful) to solution tank prior to shampooing.
