DIRECTIONS FOR USE

Read this entire label before use and follow all directions and precautions. To avoid risks to man and the environment, comply with the instructions for use. Wash hands and exposed skin before meals and after use. Do not apply directly on or near food, feed or drinks, or on surfaces or utensils likely to be in direct contact with food, feed, drinks and animals.

USE RESTRICTIONS

Bird Free is a gel which may be used to deter pigeons (*Columba livia*) from roosting or nesting in, on or around buildings and other structures. *Bird Free* is supplied in pre-packed covered plastic dishes. These should be affixed to dry surfaces with commercially available silicone adhesive (eg, Soudal Silirub), or other suitable adhesive. (See PREPARING SURFACES FOR TREATMENT on rear panel). Once affixed, the covers should be removed from the dishes.
